

ON-SITE OBSERVATION THRESHOLD SCORES

Threshold scores must be achieved, for each group or classroom observed, for the program to reach Demonstrating Quality. Threshold scores for each tool are noted in the table.

CLASS			ERS-3 ITERS-3 ECERS-3 FCCERS-3	SEL PQA
Tool	Domain	Score		
Infant	Responsive Caregiving	4.50	Programs must score a 5 or above for each group or classroom observation	Programs must score a 3.5 or above for each group or classroom observation
Toddler	Emotional and Behavior Support	5.00		
Toddler	Engaged Support for Learning	3.25		
PreK-3	Emotional Support	4.75	Observations scores for schoolage classrooms within programs licensed for ages 0-12 will not be factored into their Quality Level for their first observation. For programs licensed for ages 5-12, the SEL PQA will continue to be the only observation tool option and scores will be used to calculate the program's Quality Level.	
PreK-3	Classroom Organization	4.50		
PreK-3	Instructional Support	2.75
