

# CLASS<sup>®</sup> 2nd Edition

Better Because of You

CLASS 2nd Edition brings forward new, field-requested enhancements that improve quality, ensuring every child experiences life-changing interactions easier than ever before.

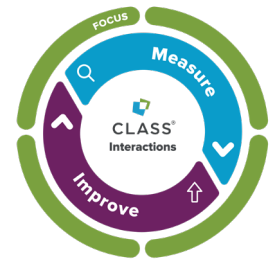

## CLASS 2nd Edition Enables You to:

- + Provide more actionable insights that better support educators in improving their practice
- + Build on your program's existing CLASS knowledge, systems, and investments
- + Learn how to observe across a diversity of settings and how to reduce the impact of bias on observations
- + Empower authentic interactions and more easily connect daily practices to the CLASS tool

## Enhanced Tools. Same Proven System.

CLASS 2nd Edition is the only CQI system centered on interactions, giving educators more agency in their improvement

CLASS enables a continuous quality improvement approach that:

Focuses on interactions, the heart of great teaching

Promotes data-driven impact and ongoing progress monitoring

Supports integration and scale across organizations

Offers comprehensive role-based professional development

**Bring CLASS 2nd Edition to your program and ensure every child experiences life-changing interactions.**
