

CHILD CARE PROGRAM QUALITY GUIDE

Programs participating in Great Start to Quality complete a Self-Reflection of their program practices using Quality Indicators. Some of the indicators may not be applicable to all programs and are marked as N/A. **Great Start to Quality is voluntary and a process for quality improvement. While some indicators will show as not currently meeting, the program may have the practice in place but did not meet the requirements of the indicator. Contact the program directly to learn more.** Additional information about the indicators can be located on the Great Start to Quality Website or by calling your local Great Start to Quality Resource Center at 1.877.614.7328.
